

POWER STEERING FLUID

Description

BENZOL® Power steering fluid is a high performance, long-life hydraulic fluid designed for power steering units. It is also suitable for hydraulic clutches, convertible tops, hydro-pneumatics suspension unit and hydraulic actuator systems fitted to some modern dual-clutch transmission.

Applications

BENZOL® Power Steering Fluid is suitable for use in most passenger car and light truck applications.

Specifications and Approvals

Ford M2C134-C, Ford M2C134-D, Honda PSF-II, PSF-S/PSF-V, GM 9985835, Chrysler MS 5931, Bosch TE-ML 09

Performance Benefits

- Protects seals and hoses.
- Smooth power steering operation.
- Resists foaming tendency.
- Provides excellent protection against fluid oxidation.
